Shadow Angel

**

They took my people

To the depths of hell

Where locked in their minds

They forever screaming, dwell

I watched in rage

Laid down my wrath

A darker angel

This earth never hath

But the price of precious vengeance

Was a sin I could not atone

Their innocent crimson blood

Stains my heart of stone

Silent tears are useless

Praying won't do a thing

I'll keep on slaying

As Revenge lustily continues to sing

For my course is unerringly set

As you unfortunately see

An angel of shadows

I'll forever be

End
file.
